

The ETTC has two technical support specialists who are available to your schools on an as-needed, contractual basis. The hourly rate for their services is \$60 per hour. Services include, but are not limited to, installing hardware/software, repairing equipment, and resolving trouble tickets. These two specialists are very knowledgeable and are a great team! For more information or to purchase/schedule services for your system, contact the David Rogers at 800-749-7372 ext. 116 or dmrogers@hgresa.org
